

Want to come to CCO for FREE this summer?

All you have to do is be the camper to refer the most first-time campers to CCO for summer 2010 and you will get your camp session for FREE!

What if I'm already signed up for camp you ask? If you are signed up for summer 2010 and have referred any friends to camp so far we will count them towards your total. Simply ask the friend that you referred to email chiefouray@ymcarockies.org and let us know that you were the referring family. Remember, the referred friends need to be first-time campers that have not been to camp before.

Listed to the right is a list of Rules and Regulations. Please review those carefully.

Alright, now go out there and refer some friends!!
