ACCOMMODATIONS CONTINUED

How your guests can make reservations: If you have reserved room blocks for your guests, you will receive an internet link to pass on to your guests. Your guests can book lodging through this link and be added to your wedding roster. If they'd like to reserve a yurt or a campsite, they will need to call into Central Reservations after January 1st. Yurts and campsites are only available during the summer months, and if the weather holds, into September. The first Wednesday in April is when cabins become available for booking (check our website for exact dates). Reunion size cabins (6-8 bedroom) must be reserved through YOUR Special Event Venue Coordinator. Your guests can also book rooms through Central Reservations at 1-888-613-9622; if you have a contracted wedding block, it is important for them to mention the wedding group name to be added to the roster.

Please note that none of the lodging or event spaces have air conditioning; this is standard for venues at high altitudes.

Contracts & Policies: Please refer to your lodging contracts to see block drop dates and cancellation dates. **Check-in time is at 6pm, check-out time is at 10 am.** Please call the front desk after 8:00 am on the day of check-in if you would like a time estimate of when your cabin will be ready for check-in. Late check-outs will only be granted the day of check-out. To request a late check-out, you may call the front desk on the day of check-out and based on booking they will let you know if they can approve a late check-out for your cabin. The latest check-out time that may be requested is noon.

Important Information for You & Your Guests: Check-in time is at 6pm; if your wedding is earlier than check-in time you may want to encourage your guests to arrive a day early or to arrive ready for the wedding. Specific lodging information, such as room numbers or cabin names, are not guaranteed until check-in. This policy is in place due to the unknown emergencies that could arise and cause SMR staff to need to move cabin reservations around. Also, all rooms are smoke free; this is including any tobacco, marijuana, vape, etc.

If you have any issues or need anything during your stay, please contact the front desk for assistance, or call the number your Wedding Coordinator has provided.

Your guests can also book rooms through Central Reservations at 1-888-613-9622; if you have a contracted wedding block, it is important for them to mention the wedding group name to be added to the roster.

Please note that none of the lodging or event spaces have air conditioning; this is standard for venues at high altitudes.

Contracts & Policies: Please refer to your lodging contracts to see block drop dates and cancellation dates. **Check-in time is at 6pm, check-out time is at 10 am.** Please call the front desk after 8:00 am on the day of check-in if you would like a time estimate of when your cabin will be ready for check-in. Late check-outs will only be granted the day of check-out. To request a late check-out, you may call the front desk on the day of check-out and based on booking they will let you know if they can approve a late check-out for your cabin. The latest check-out time that may be requested is noon.

Important Information for You & Your Guests: Check-in time is at 6pm; if your wedding is earlier than check-in time you may want to encourage your guests to arrive a day early or to arrive ready for the wedding. Specific lodging information, such as room numbers or cabin names, are not guaranteed until check-in. This policy is in place due to the unknown emergencies that could arise and cause SMR staff to need to move cabin reservations around. Also, all rooms are smoke free; this is including any tobacco, marijuana, vape, etc.

If you have any issues or need anything during your stay, please contact the front desk for assistance, or call the number your Wedding Coordinator has provided.
