Smoking is not allowed on lodge balconies or patios.

Possession, use and/or consumption of marijuana is not allowed on our properties or in our facilities.

ALCOHOL is permitted only in your own accommodation or meeting space, not in public areas.

A NOTE FROM OUR HOUSEKEEPING STAFF:

If you arrive during those hours and staff is unavailable there, please visit the **Housekeeping Office** next door, also open 8 am–4:30 pm daily. To speak with Housekeeping, call x1142.

If you arrive after the Linen Exchange is closed, please note that any deliveries of supplies needed for your first night need to be called in to the switchboard (ext. 0) before 9pm.

Coin-operated **Guest Laundry** (lower level of Longhouse) is open 24/7. Detergent-vending machines and change machines are available.

WHEN IT'S TIME TO SAY GOODBYE—HOW TO CHECK OUT:

- **Check-out is at 10am. This time is strictly enforced out of consideration for the guests checking in after you, and for our hardworking housekeeping staff. We are currently unable to offer late check-outs.**
- After you check out of your lodging, you are welcome to enjoy our grounds recreational facilities, and activities for the rest of the day.
- You will receive an email on the morning of your departure with a copy of your final bill. We prefer that you allow us to charge any remaining balance to the credit card that we have on file, instead of going to the front desk to check out. You can also add a gratuity that is distributed evenly to our seasonal staff and/or a gift to our annual fund. Please call extension "0" if you need to reach a Guest Registration Manager for any assistance with your checkout or payment.

THANK YOU FOR YOUR SUPPORT!

YMCA OF THE ROCKIES WILDLIFE SAFETY

Please respect all wildlife to ensure your safety and theirs.

- Give wildlife plenty of space and do not approach, especially when pets are present.
- Never feed wildlife, including birds and chipmunks. It is illegal and harmful to the animal.
- Do not leave food or trash out on counters or tables in cabins or in vehicles.
- Keep children and pets close by when walking or hiking in areas wildlife could be.
- Notify YMCA staff of all bear, mountain lion or wolf sightings on YMCA property immediately. Dial "0" on cabin phones.

BEAR SAFETY

Bears may be present on YMCA property at any time, day or night. Bears have been known to enter unoccupied guest cabins or unlocked vehicles. Please do your part to avoid having an uninvited guest in your cabin or vehicle, by following these tips:

- Remove trash from your cabin daily and place it in the bear-proof trash container located outside each cabin and ensure the lid is latched.
- Bird feeders, including hummingbird feeders are not allowed at cabins, as these attract bears.
- Ensure vehicle doors are locked and windows are up at all times.
- Close and lock all cabin windows at night, especially kitchen, dining room and bathroom windows.

ELK & MOOSE SAFETY

Elk and moose are wild animals and should not be approached. Though they may allow humans to get close to them, they will react unexpectedly to intrusion of their space, which can cause serious injuries to humans. Follow these tips to safely observe elk and moose:

- Keep a distance of at least 75 feet or two bus lengths between you and elk or moose.
- If an elk or moose notices you or raises its head to you, you are too close.
- Do not get between a bull elk/moose and his herd or a mother elk/moose and her calf.
- Do not become surrounded by a herd of elk and do not surround an elk; leave an obvious escape route.
- Be extra careful during spring calving season and fall mating season. Elk and moose are more aggressive during these times.

MOUNTAIN LION SAFETY

Mountain lions may be present on YMCA property. Follow these tips to ensure a safe coexistence between you and mountain lions.

- Walk and hike in groups. Mountain lions are most active at dawn and dusk.
- If you see a mountain lion, stay calm, move slowly and talk firmly to it. Stop and back away slowly, if you can do so safely.
- Running may stimulate a lion's instinct to chase and attack.
- Do all that you can to appear larger; raise your arms, open your jacket.
- Pick up children to protect them so they don't panic and run.
- If a mountain lion behaves aggressively, throw stones, tree branches, whatever you can grab without crouching down or turning your back. You want to convince the mountain lion you are not prey and that you may be a danger to the lion.
- If a mountain lion attacks you, fight back. Mountain lions have been driven away by prey that fights back. Remain standing or try to stand back up if you fall down.

WOLF SAFETY

While there have been no guest or staff sightings of wolves on Snow Mountain Ranch property, we are in contact with Colorado Parks and Wildlife to monitor the presence of wolves in Grand County and on our 5,100-acre Granby property. We always encourage our guests to practice safety when encountering wildlife of any kind – giving the animals plenty of space and respecting their environment. Though it is rare for a wolf to pose a threat to a human, it is better to be prepared. Follow these tips to ensure a safe coexistence between you and wolves.

- Make noise when you come and go at night.
- Most wolves will try to avoid a confrontation. Give them a way to escape.
- If you do encounter a wolf, maintain visual contact so you can see what it is doing and where it is.
- Talk calmly yet firmly to it and make enough eye contact so that it knows you have seen it. Most wolves will run away.
- If you have a dog with you, keep the dog away from the wolf.
- If there is shelter or a vehicle nearby, face the wolf and stand upright while backing away slowly. Running may stimulate a predatory instinct to chase and attack.
- If you cannot retreat, stand your ground, face the wolf and try to appear larger. For example, raise your arms, stand on a stump or a rock or open your jacket. Place obstacles you may have, like a bike, between you and the wolf.
- In the very unlikely event that a wolf attacks you, fight back. Remain standing, and try to get back up if you are knocked down.

Our Mission

YMCA of the Rockies puts Christian principles into practice through programs, staff and facilities in an environment that builds healthy spirit, mind and body for all.

We will accomplish this by:

- Serving conferences of a religious, educational, or recreational nature;
- Providing unifying experiences for families;
- Offering traditional summer camp experiences for boys and girls; and
- Serving our staff with leadership opportunities and productive work experiences.

The YMCA of the Rockies is for Youth Development, Healthy Living, and Social Responsibility.

TOGETHER WE CAN DO SO MUCH MORE.

YMCA of the Rockies is a charitable organization that provides a place for families, individuals, and groups to relax, reconnect, and rejuvenate.

Members receive benefits such as priority reservations, and discounts for lodging and general store purchases.

Donations support our Mission by providing you with programs, recreation, and facilities, while also giving families in need the opportunity to participate and experience a nature-inspired getaway.

Annual Campaign donations also ensure that families in need have the opportunity to share in these activities. Here are just a few examples:

Mission 623 provides a rejuvenating family experience through the YMCA of the Rockies' Military Getaway Package, which is used by families that are facing deployment or reconnecting after returning home from active duty. The Military Getaway Package provides 2 nights of family bonding in our lodges at either center, 6 family meals shared together, and hundreds of free and affordable family activities on our property, all at a reduced rate.

G.R.A.C.E. – Giving Respite And Comfort to Everyone – allows families affected by childhood critical illness, such as cancer, to reconnect, enjoy the beauty of the Rocky Mountains, and form lasting memories. The G.R.A.C.E. Program provides 4 nights of family bonding at either of our centers, all meals for 5 at our dining hall (dinner on the first day through breakfast on the last day), and a \$150 gift certificate for fee-based activities – all at no cost to the family.

Connect 50 gives single parent families the opportunity to spend restful time away together at our YMCA. Connect 50 provides 3 nights in a lodge room with all meals included along with a one-year YMCA of the Rockies membership – all at no cost to the family.

202 Days provides faith leaders with time for reflection and reconnection through the YMCA of the Rockies' Faith Leader Getaway Package. This package, offered to compensate faith leaders, provides 2 nights of family bonding in our lodges, 6 family meals shared together, and hundreds of free and affordable family activities on our property, all at a reduced rate.

Foster Parents are special people. They open their hearts and homes to children in need of a safe, nurturing place to live. As part of our Mission, the YMCA of the Rockies gives foster families half-priced lodging in our lodges or cabins. Foster families also receive 50% off of any paid activity at both centers (with a few exceptions).
