About Our Hikes and Trails

Waterfall Trail (Easy): This is our most popular hike at Snow Mountain Ranch. This trail is about 3 miles long (round trip). You will see several beaver ponds and aspens along the trail. There are benches and educational information along the way. We recommend going counter clockwise around the loop (right at the intersection). This trail is open to hiking only, all dogs must be leashed.

9-Mile Mountain (Intermediate): The 9-Mile Mountain Trail is a total 2.6 mile out and back hike. We rate it as intermediate difficulty due to the elevation gain (600ft). This trail has sweeping views of the Continental Divide. There is a picnic table at the top where you can relax and take in the view. You will also find God's Mailbox at the top of this picturesque hike. Open to hiking and biking, all dogs must be leashed.

At YMCA of the Rockies we are stewards of the Earth. Please do your part and recycle this Activity Guide. [Click here](#) or visit our website to learn more about our sustainability goals and practices..
