### AERIAL CHALLENGE COURSE

Traverse from tree to tree, well above the forest floor on our new high ropes course. Each session begins with a 30 minute ground school that each participant must pass before entering the course. People with known heart conditions or who are pregnant may not participate. Participants must weigh less than 250 pounds and be at least 4'9". 2 hour sessions. \$35/person.

### Our Hikes and Trails

**Waterfall Trail (Easy):** This is our most popular hike at Snow Mountain Ranch. This trail is about 3 miles long (round trip). You will see several beaver ponds and aspens along the trail. There are benches and educational information along the way. We recommend going counter clockwise around the loop (right at the intersection). This trail is open to hiking only, all dogs must be leashed.

**9-Mile Mountain (Intermediate):** The 9-Mile Mountain Trail is a total 2.6 mile out and back hike. We rate it as intermediate difficulty due to the elevation gain (600ft). This trail has sweeping views of the Continental Divide. There is a picnic table at the top where you can relax and take in the view. You will also find God's Mailbox at the top of this picturesque hike. Open to hiking and biking, all dogs must be leashed.
