A gift of personal property includes equipment, inventory, books, works of art, vehicles, or other tangible property. Live gifts, including trees, cannot be accepted. Gifts-in-kind will be used to benefit YMCA of the Rockies as designated by the donor. Acceptance of the gift is based on whether YMCA of the Rockies can use the gift in furtherance of its mission. Consideration will be given to the cost of accepting and maintaining the gift as well as costs associated with the potential resale of the gift. Depending upon the donor's tax circumstances, a charitable deduction may be claimed if the gift is accepted for the YMCA of the Rockies' operational purposes. Please consult your tax advisor to determine the tax deductibility of your gift.

Gift of Real Estate

Want to make a gift to support YMCA of the Rockies without touching your bank account? Consider a gift of real estate, such as a personal residence, vacation home, farm, commercial property, or undeveloped land. Such a generous gift helps us continue our work for years to come. And a gift of real estate also helps you. When you support YMCA of the Rockies with appreciated property you have held longer than one year, you qualify for a federal income tax charitable deduction and you may minimize or eliminate capital gains tax. Additional benefits include no longer having to deal with that property's maintenance costs, property taxes, or insurance. Also, you don't have to hassle with selling the real estate. You can deed the property to support YMCA of the Rockies or ask your attorney to add a few sentences in your will or trust agreement. All real estate gifts are evaluated by the YMCA's Board of Directors before acceptance of the gift.

What is an endowment gift?

An endowment gift is a donation to YMCA of the Rockies that is intended to be invested and grow over time to provide a permanent source of income for the mission. Each year, a percentage of the overall endowment value can be used for the intended purpose of the fund, thus providing permanent support for YMCA of the Rockies. An administrative fee of 0.5% is assessed on the endowment fund on an annual basis to support ongoing costs associated with investing, managing and distributing funds to the designated program. If you have questions about supporting an existing endowment or establishing a new one, please contact the Philanthropy Department at give@ymcarockies.org or 970-586-8121.

How does YMCA of the Rockies leverage my gift to grow and sustain donations?

In line with nonprofits, charitable organizations, colleges, universities, and the majority of our peer institutions that fundraise, YMCA of the Rockies assesses a philanthropy program expense on all gifts, except designated endowment gifts. The Philanthropy Program Support (12.5% as of January 2023) is one of many revenue streams used to sustain and stabilize YMCA of the Rockies' fundraising efforts to bring in charitable dollars to invest in youth, families, groups, staff, programs, and facilities. Of the 12.5%, 10% is for ongoing philanthropy operations and 2.5% is for ongoing care of donor-funded projects.

The Philanthropy Program Support is waived for endowed gifts. However, an administrative expense of 0.5% on endowed gifts is assessed annually to support ongoing costs associated with investing, managing and distributing funds to the designated program. For more information, call the Philanthropy Department at (970) 586-8121.

Does the Philanthropy Program Support affect the tax deductibility of my contribution?

No, the Philanthropy Program Support does not affect the deductibility of your gift. Donors receive a gift receipt for the full amount of their gift.

How does the Philanthropy Program Support help YMCA of the Rockies?

The Philanthropy Program Support is used to advance philanthropic initiatives at YMCA of the Rockies. As the cost to deliver our mission through programs, staff and facilities increases, charitable giving becomes even more crucial to sustaining YMCA of the Rockies as a vital, thriving non-profit camp and conference center. The Philanthropy Department, which is responsible for YMCA of the Rockies fundraising activities, maintains an efficient operation and remains a key investment for the organization.
